We have received evidence of your current insurance coverage, and have, therefore, requested cancellation of the insurance coverage that we obtained to cover the referenced property.

According to the information we received, there was a lapse between the effective date of your coverage and the coverage we provided. Consequently, an earned premium of \$4.00 will be disbursed from your escrow account. If the annual premium has already been disbursed from your escrow account, you will receive an escrow refund for the difference between the annual premium and the earned portion for this insurance.

Should your records indicate no lapse in coverage, please send a copy of your policy (with your loan number referenced) showing inception/expiration dates to the following address:
